

Campaign Element	Plan
Campaign Name	HungryHop
Campaign Objective	Increase food orders by 25% and attract new users with a limited-time discount offer.
Target Audience	Students, working professionals, families, and young adults (18–35 years) in metro and tier-2 cities.
Main Content Idea	"Hungry? Save More!" – Short, fun videos showing people enjoying their favorite meals with 50% OFF + Free Delivery on selected restaurants. Include a countdown to create urgency.
Instagram	Reels, Stories, carousel posts, influencer collaborations, and giveaway contests.
YouTube	15–30 second video ads and YouTube Shorts featuring the offer.
WhatsApp	Personalized offer messages, coupon codes, and order reminder notifications.
Facebook	Promotional posts, local restaurant offers, and event-based ads.
X (Twitter)	Trending hashtags, memes, and real-time customer engagement.
Expected	Higher app downloads, increased customer engagement, more food orders, and improved

AIDA Stage	Campaign Plan
Attention	Launch eye-catching Instagram Reels and YouTube Shorts with the tagline "50% OFF + Free Delivery – Today Only!"
Interest	Showcase delicious food, popular restaurants, limited-time offers, and customer reviews through Stories and carousel posts.
Desire	Highlight benefits like fast delivery, exclusive discounts, cashback offers, and easy ordering to make users want to order immediately.
Action	Encourage users to "Order Now" through the Swiggy app using a promo code (e.g., SAVE50) before the offer expires.
